PRINCIPAL'S PEN

New Year's resolutions are made to be broken, or so it seems.

A Harris Interactive poll conducted among 3,036 U.S. adults reveals many do want to make a difference in the New Year. Of those polled: 21% resolved to lose weight, 14% plan to improve personal finances, 14% intend to exercise more and 7% are determined to eat healthier. Are any of these on your resolutions list? Have you broken any of your New Year's resolutions yet? If so, you aren't alone! Studies suggest that 20% of resolutions are broken within the first week of January and at least 80% are broken within one year.

Parents, here's one resolution of which we dare never lose sight. At

the time of your child's baptism we responded to this exhortation. "Christian love urges all of us, especially parents and sponsors, to assist in whatever manner possible so that our children remain a child of God until death." When asked if we are willing to carry out this responsibility, we resolved: "Yes, as God gives us strength."

May God continue to strengthen and sustain us in this resolution. Your Christian home, your Christian congregation and Christ-centered education at Luther High School are blessings to that end this New Year and throughout our time of grace.

Mr. Paul Wichmann, Principal
