A CONGREGATIONAL CONNECTION FROM LUTHER HIGH SCHOOL
For WELS Luther High Association Congregational Members

Luther High School 2016-2017 SCHOOL YEAR

Based on Nehemiah 2:18, the Luther High School theme for the 2016-2017 school year was "Rise Up & Build." Indeed, much building went on throughout the year. The building of faith has always been a focus at Luther High. Students worked to build for the future in a variety of activities including Christ-focused learning, extracurricular activities, and volunteer opportunities.

The school structure itself mirrored the united efforts of building and growth. The construction of a new ACE Entrance, Chapel Auditorium, and additional classrooms marked a physical reminder of the school's Association congregations & their efforts to support the future of Christian high school education. Many congregational volunteers, students, faculty, and businesses all shared efforts in this common goal.

The school year was marked with consideration of divine Calls and milestones in ministry. Pastor Jon Bilitz, Jason Hagedorn, and Becky Lussky conclude their faithful service on Luther's faculty at the school year's end. Marion Radichel retired also. Connie Bader (25 years), Mark Loersch (25 years), Brad Schaper (25 years), and Paul Wichmann (40 years) observed teaching anniversaries.

As our Graduates now become Alumni, we welcome them to stay in touch with Luther High School. We also welcome our Association congregational members to continue to become involved in the ministry and mission of Luther High through their combined support. May our connection shared through the school be a reminder of the gracious God who never has and never will leave us as we journey along the path of life, and may God continue to bless the mission of keeping Christ in high school education!

Pastor Jon Bilitz, Jason Hagedorn, and Becky Lussyky concluded their faithful service on Luther's faculty at the school year's end. Marion Radichel will be retiring. May God bless their journey as they move forward from here. Below are some words from them. **Please visit our website (www.lutherhigh.org), or our facebook page "Luther High (official)" for a link to their full articles and pictures.**

From the Dean's Desk, by Pastor Jon Bilitz

What a privilege God has granted to myself and my family to be a part of the Luther High family for the last 17 years! My service at Luther High School has been filled with joy. All the students, parents, families and supporters of Luther High School have made our time here truly special. I am humbled by the grace God has showered on our family through you.

The words of Apostle Paul to the Philippians (1:3-6) are my thoughts as Luther is a place that will always have a piece of my heart: "I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus."

Pastor Jon Bilitz will begin his new call in Madison, WI in June 2017. We thank God for his time here served as Pastor and Dean of students at Luther High School. We pray for blessings as he moves forward to his new call.

From Jason Hagedorn

My family and I have truly been blessed by our time here at Luther. So much so that our family of five grew to seven during our stay. I have had the opportunity in the 12 years I've been here to grow as a teacher, coach, father, husband and in my faith. God has placed numerous students and parents in my life that have touched my life in ways they may never know. The faculty and staff here at Luther have been like a family to me and will continue to be exactly that as I continue my adventure at Shoreland in the years to come. Thank you for everything, and "Lord's blessings on your day."

Jason will begin his new call at Shoreland Lutheran High School, Somers, WI in July 2017. We thank God for his time spent here as math teacher and coach. We pray for blessings as he moves forward to his new call.

From Becky Lussyky

It has been an unbelievable privilege to teach at Luther. I have loved the relationships with the many students that have passed through my classroom. I have enjoyed the camaraderie of being part of a talented and dedicated faculty and staff. And I have treasured daily worship and the opportunity to teach God's Word to my students in Spanish. I am so thankful that I can be confident that God's perfect plan continues to play out in my life. To Him be the glory! May He continue to bless Luther High School for many years to come!

Becky Lussyky has retired at the end of the school year due to health reasons. We thank God for her time at Luther as Spanish teacher and Drama Program supporter. May the Lord bless her retirement years!

From Marion Radichel

It has been a blessing to be connected with Luther High School for so many years. Thank you to all who have been a part of this significant part of my life!

Marion Radical is retiring. We thank God for her time as Secretary at Luther. May the Lord bless her retirement years!

The Big Knight Success!

We would like to thank everybody involved in making The Big Knight 2017 a huge success! Proceeds that evening totaled to more than \$92,000! Most of these funds will be going to the Tuition Assistance Fund, although \$10,000 will go towards non-budgeted items in the three new classroom additions. Without the help of many this night would not have been possible. Mark your calendar for next year's Big Knight on April 20, 2018!

Baseball Scoreboard Updated!

Thanks to the generosity of Luther Knight baseball supporters, a new updated scoreboard was purchased and installed this spring season. A special thank you to the Mark and Jill Schomberg family who organized the project and fundraising efforts. The new board (see picture) is a great addition to "Knight Park". The old scoreboard continues to be used, now for the pitch count. Thanks also to Greg/Lois Scriver Family, Curt/Sally Weber Family, Jan/Kristi Protsman Family, Shelly Proudfoot, Austin Wehrs, and Aaron Berg for all of their time and effort with the project!
