

# Winter 2017-18 Worker & Supervision Schedule To Parents of Students Involved in Basketball

11-27-17

What a blessing it is to have parents who are involved in so many aspects of our athletic programs! Your help is necessary to run an event smoothly AND greatly appreciated! During the course of the season we ask that parents assist us with admissions and/or concessions (detailed instructions are listed in the concession stand). Dependent on how many athletes and families are participating, your name may appear more than once during the course of the season. On nights that you are scheduled, simply identify yourself at the admissions table. Thank you for helping!

Our winter volunteer help list starts at the end of this letter. Please find your name(s) and plan to work on the night you are scheduled. We will also send reminders out a week ahead of the event. If for any reason the game is rescheduled, please plan to work on the rescheduled date. ***PLEASE MARK your calendars!***

**If you find it impossible to help on your scheduled night, please try to switch with another family and notify the athletic office with the change. If you have any questions or definitely cannot switch with someone that night, please call (608) 783-5435 ext. 1643 with as early a notice as possible.**

*Thank you so much for your help in making this winter sports season a success!*
