

## Luther High School Bus Transportation: 2023-2024

In an effort to reduce bus transportation costs the Board of Control adopted the policy that the Luther High School buses follow the most direct and convenient routes with designated pick-up points. It is, therefore, often necessary for students to come a short distance to meet the bus. Any requests for a bus to deviate from the route may be made to the Board of Control.

**Please note that these routes are subject to change at the discretion of Luther High School.**

Daily student transportation for our routes is contracted with GO RITEWAY. The cost is included in tuition.

In addition to the four routes contracted by Luther, the Holmen, Onalaska and La Crosse School Districts transport our students who live within these public-school districts.

- When La Crosse doesn't have school, our students who live on non-city routes must get to an in-city route or to school on their own. Parents will need to call Go-Riteway to request bussing on these dates. Luther will send reminders on these special transportation dates.
- On planned 2-hour delay delays, students who ride school busses provided by the La Crosse or Holmen school districts, must contact those district bus offices 2 days prior to the delay day to request bussing. Luther will send reminders prior to these special transportation dates.
- The Onalaska school district will not provide bussing in the AM for delayed start days. (PM bussing will be provided as normal.)

West Salem School District contracts with parents to transport their own children.
