KEEPING CHRIST IN HIGH SCHOOL EDUCATION

Daily Bus Transportation Guidelines: 2021-2022

All Riders must be registered in order to ride the bus. It may take several days for new registrations to be processed. If you are a new rider and have not registered, please plan ahead and register as soon as possible.

Each bus will be sanitized daily with all high touch surface areas wiped down.

AM PICK-UP

- Route times are approximate
- Students should be ready 10-15 minutes ahead of the listed times at least for the first few weeks. As the schedule pattern develops, parents can adjust this margin. Keep in mind that route times cannot be exact and will vary somewhat with weather and other factors.
- Keep good communication with your driver throughout the year if riding patterns change.

PM PICK-UP

- This is the first year that we have listed times. They are approximate.
- Busses are scheduled to depart Luther at 3:20 pm, dependent on shuttles coming from La Crosse.
- Communicate with your child via cell phone in the first few weeks on arrival times if possible. Again, schedule patterns will develop in those first few weeks.

If you have specific pick-up/drop-off questions, please contact GoRiteway directly at 608-881-6370
