## A Message From Pastor Bill Bader On His Retirement Great Ministry

By Pastor Bill Bader, St. Paul's Ev. Lutheran Church, Onalaska

Luther High School has always been an important part of the ministry at St. Paul's Ev. Lutheran Church, Onalaska. I am grateful that Luther High School served my own children. I am also grateful to past and current students of Luther High School, and the staff of teachers and pastors. Because my wife, Connie, is a member of the staff I was able to be a part of events that I would otherwise have seen "from the outside." Thank you and the Lord's continued blessings in the future.

 Hail the Son  
of  
Righteousness

# FINISH THE WORK

2 Corinthians 8:11

Partners in Christ Centered Education,

As we celebrate the birth of our Lord and Savior Jesus Christ this holiday season, let us all take a moment to reflect on the many blessings our Lord and Savior has bestowed upon each and every one of us this past year. As Luther High School enters its 62nd year of “Keeping Christ in High School Education”, we are also continually reminded of the many blessings he has bestowed upon the Ministry of Luther High School.

This year we have been entrusted with 246 souls. These young Christians are encouraged in the Gospel of their loving Savior each and every day. The faculty at Luther High school challenges students to use all of their gifts to God’s glory with a sound curriculum that has students consistently achieving top academic scores, not only locally but also in the state of Wisconsin.

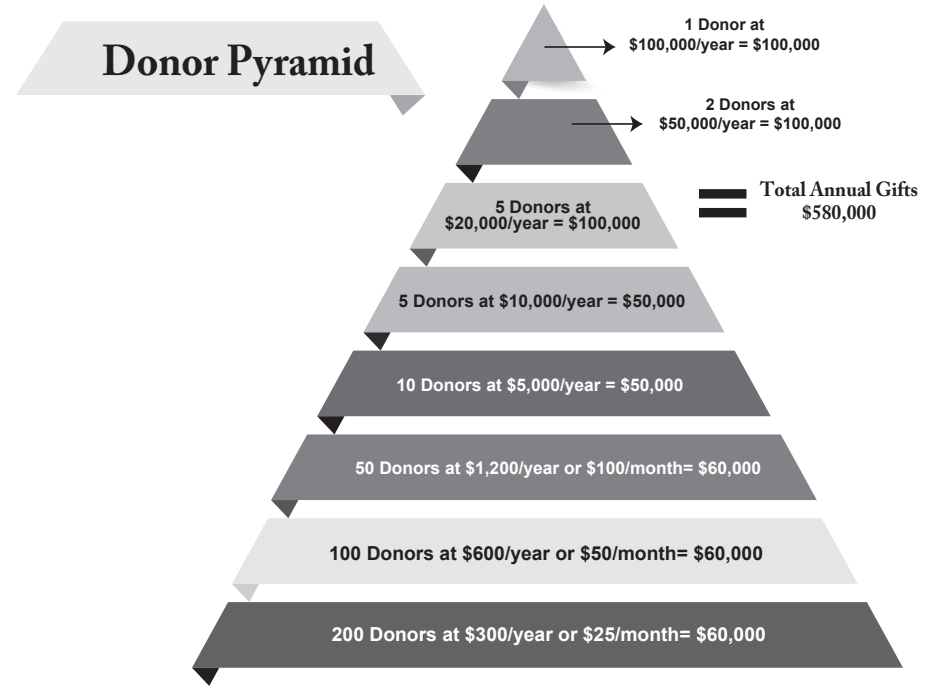

Students are given an opportunity each and every day to use a facility that according to one instructor, “has allowed us to expand not only the course offerings at Luther, but also the quality of education.” The building project has given Luther High School’s faculty, staff, and most importantly its students an opportunity to grown in every area of our curriculum.

There are, however, some things at Luther High School that have not changed. As senior Jenna Wahl explains, “I feel so blessed with the opportunities the new facility offers – opportunities to build, create, and learn”. The changes to the facility have been amazing, but the value of a Christ centered education remains the same. Christian education changes lives. Lives not only for today, but for eternity. This is the mission of Luther High School.

Another thing that has not changed since Luther High School began 62 years ago is the love and support that we have received from you. Luther High School has over 3,000 alumni who have at some point been impacted by a love shown to them by all those who have supported the mission of Luther High school. This envelops the Luther High School Association, which is now 30 congregations strong. Every student has been blessed by a love that has been given by someone, and in most cases by someone they will never know. That someone is you. This has been a huge blessing that remains unchanged in the past 62 years at Luther High School.

We have been blessed over the past 3 ½ years with an expansion of our facilities. It has been amazing to witness the love the Lord has bestowed upon Luther High school in so many ways. The building project has been blessed with countless prayers, amazing volunteers, and people who have given of their time and talents. To date, \$6.7 million dollars in gifts have been received or pledged for the building project. This is approximately 62% of the total funds needed. We are truly blessed to be a part of such an amazing opportunity to serve our Lord and continue to advance the mission of this amazing school.

As we continue to move forward with the building project, we will need your help. We need your help in “Finishing the Work” that we have begun at Luther High School. We need help in avoiding an upcoming mortgage payment, and a debt for the first time in recent history. We can do this together. Every gift will make a difference and every gift brings us closer to reaching our goal of paying for the building project. During this joyful season of giving, please prayerfully consider making a one-time gift or pledge to “Finish the Work”. As always, we need your continued prayers and financial support to help us complete the work the Lord has placed before us. This is YOUR Luther High School!

To help visualize how you can support the Finish the Work campaign, consider the pyramid shown above. Our hope is that you will find where you fit best on the pyramid. The key to paying off the debt is to have the full support of the 12,000 members from the 30 association congregations as well as from alumni and all the others who support and value Christian education. We ask that each and every one of you prayerfully consider a gift of \$25, \$50, or an amount per month that is suitable for your budget. As you can see, if a few hundred people from the thousands associated with Luther give generously, it will make a huge impact on the remaining mortgage balance. Please consider using the bible verse from Romans 12:6 to see how you might fit into the pyramid. This is YOUR Luther High School!
