

igKnightion Robotics – Team Captain

Reports To: Mentor(s) and Lead Mentor(s)

Role Overview

A team captain promotes and communicates the team's missions and vision. A team captain provides leadership, direction, and motivation for all team members. This role ensures effective communication between sub teams, fosters collaboration, and helps maintain a positive, organized, and goal-oriented team environment.

Key Responsibilities

- Follow all team safety procedures and be on time for practices and meetings.
 - Lead team meetings and coordinate team activities.
 - Delegate team tasks as needed.
 - Manage sub team to meet team deadlines.
 - Serve as the main point of contact between students and mentors.
 - Promote teamwork, collaboration, and a positive team culture.
 - Assist in setting team goals, strategies, and priorities.
 - Encourage student participation, leadership development, and personal growth.
 - Support other sub team leads (programming, build, electrical, marketing) in planning and execution.
 - Facilitate communication with sponsors, school staff, and external partners.
 - Represent the team at competitions, events, and award submissions.
 - Keep workspaces organized for optimal work efficiency.
 - Help promote our team as needed.
 - Assist other sub teams as needed.
-

Skills & Qualifications

- Required to complete the team leadership course.
 - Strong leadership, communication, and organizational skills.
 - Ability to motivate, mentor, and support peers.
 - Willingness to learn, actively listen to instructions and feedback from leadership, and maintain a good attitude.
 - Problem-solving and decision-making capabilities.
 - Confidence in public speaking and team representation.
 - Positive attitude, reliability, and commitment to team goals.
 - Previous FRC experience is preferred, but not required.
-

Time Commitment

- **Preseason (Fall-Dec.):** 6-8 hrs/month (planning, training, outreach).
 - **Build Season (Jan-April):** approx. 15 hrs/week (overseeing sub teams and coordinating build sessions).
-

Benefits

- Develop leadership, communication, and organizational skills.
- Gain experience managing projects and coordinating teams.
- Opportunity to mentor peers and shape the team culture.
- Enhance college and career readiness with tangible leadership experience.
- Be a central contributor to the success of a high-energy, competitive FRC team.
